## The GLOBAL EDUCATOR

### Submissions

*The Global Educator*, journal of B.C. Peace and Global Educators (PAGE), is published twice yearly, and welcomes unsolicited articles and graphics by December 15 (for the winter issue) and June 15 (for the summer issue). Guidelines are as follows:

Submissions should be made directly to the editor, Patrik Parkes, by email ([pageditr@telus.net](mailto:pageditr@telus.net)), as Word (.doc or .docx) attachments and/or pasted into the body of the email message.

If an article contains web links, they should appear at the end of the article. Please convert any web link over 25 characters to the "Tiny URL" format (see [www.tinyurl.com](http://www.tinyurl.com)).

Note that *The Global Educator* is not an academic journal: articles are expected to follow 'journalistic' style guidelines, and not to contain academic citations – although authors should keep a bibliography on hand for interested readers who enquire.

There are no strict length guidelines for articles.

Submissions to *The Global Educator* will be made available to other BCTF publications unless the author requests otherwise.

### IDEAS

*“Global Education is education that opens people’s eyes and minds to the realities of the world, and awakens them to bring about a world of greater justice, equity and human rights for all.*”

*Global Education is understood to encompass Development Education, Human Rights Education, Education for Sustainability, Education for Peace and Conflict Prevention and Inter-cultural Education; being the global dimensions of Education for Citizenship.”*

**The Maastricht Global Education Declaration, 2002**
